

2011-2012 PTO Membership

All parents/guardians of children enrolled at Student Creek Elementary and staff members are eligible to be regular members of the Stewart Creek Elementary PTO. Upon payment of yearly dues, you become a *voting member* of the PTO. Our PTO meets monthly and remains actively involved at Stewart Creek throughout the school year. There are many opportunities for you to get involved. Voting members may serve on the Executive Board, serve as Chairpersons on standing and special committees, are allowed to vote on issues brought before the PTO board, and will receive a complimentary copy of the Student Directory.

PTO Membership dues are \$5.00 per family per year.

Student Directory

A directory will be published each year for the parents/guardians and staff of Stewart Creek Elementary. The student directory is offered as a service to allow families the ability to contact one another. A free copy of the directory will be issued only to those families who have paid their annual PTO dues; however, you do not have to be a PTO member to have your child's information included in the directory.

With individual parent/guardian permission, the directory will include each student's name, parents' names, address, phone number, teacher, and grade level. In accordance with the state law and school district policy, this information will only be available with parent permission. To have your child's name and/or contact information listed in the directory, please complete the below information. If you do not want any of your child's information published, please let us know, by checking the appropriate box.
