Dear Parents of Ms. _____ class,

The First Annual QUMB^o Yfi Yfi event, our spring fundraiser for Stewart Creek Elementary, will be held on Saturday, February 20, 2010 in the Bluebonnet Event Center at the KOA in Montgomery. QUMB^o Yfi Yfi is a kid-free evening of dinner, dancing, and a live & silent auction. More details will follow as the event gets closer, but it's time to get started early making plans in order to make QUMB^o Yfi Yfi a huge success.

- Each classroom is responsible for a basket to be included in the silent auction. The funds from our 2010 auction will support our kids and our library at Stewart Creek Elementary. Your child's class has been assigned the _____ basket for the silent auction. We are asking that you send an item related to the theme of this basket. If you would prefer to send cash for a parent volunteer from your class to purchase items for the basket, that is also an option. Feel free to go out into the community to get items or gift cards related to the theme of your class basket donated. Donation forms will be available in the front office and online at www.scepto.com. All items collected will then be put together in a decorative basket and sold in our silent auction.
- Each class will also create a class project for this year's QUMB^o Yfi Yfi silent auction. The class project is a creative item that includes all students in the class and is a popular auction item. More information regarding our class project will be sent home at a later date.

If you are interested in helping out with your child's class basket and/or project, please contact your child's teacher. You may begin sending in your contributions for our class basket at this time.

Thank you,
PreK & Kindergarten Teachers
